

AMENDMENTS TO THE DRAWINGS

The attached sheet of drawings includes changes to Fig. 15, wherein the previously omitted element 115 has been added. This sheet replaces the original sheet including Fig. 15.

REMARKS

The present amendment is responsive to the Advisory Action after Final Office Action of April 25, 2007 wherein the Examiner objected to the drawings under 37 CFR 1.83(a). In the replacement drawing of Fig. 15, the electronic device 115 has been shown mounted between the body and second basket, as referred to in Claim 18.

Accordingly, it is believed that the present application is in condition for immediate allowance, and such action is solicited. If the Examiner has any further questions regarding the present application or this response, it is respectfully requested that the Examiner telephone the undersigned at 404-962-7527, in an effort to expedite prosecution.

The Commissioner is hereby authorized to charge any additional fees that may be required for the timely consideration of this Amendment under 37 C.F.R. §§ 1.16 and 1.17, or credit any overpayment, to Deposit Account No. 09-0528.

Respectfully submitted,
